If you live in Derby and you or a person you care for has dementia, then the Derby city dementia support service is here to help you. This Alzheimer's Society service can provide information, advice and support for those experiencing the symptoms of, or diagnosed with dementia, and their carers.

At Derby City Dementia Support Service we are here to support you, whichever stage in your journey you are currently at. We offer information and advice to help you stay independent for as long as possible.

We can also guide you to other helpful services, to make sure you're getting the best support for you.

This could be help with:

- Understanding dementia, the changes you could face and your journey
- Accessing available local services for financial or physical assistance
- Maintaining independence
- Changes in relationships and behaviours
- Caring for people with dementia
- The knowledge that we are here to help. Nobody has to go through their dementia journey alone.

We also have a selection of friendly, engaging activity and support groups happening all over Derby for those with dementia and their carers.

You do not need a diagnosis to access our service.
